RESPONSE TO OFFICE ACTION

Sir:

In response to the Office Action of July 13, 2005, reconsideration of this application is respectfully requested. The rejections of the present claims under 35 USC 103 lack the requisite showing of motivation for the suggested combinations of references and one can only conclude therefore that they are based on impermissible hindsight reconstruction. For at least the reasons set forth below these rejections should be removed and the present claims allowed.
